**MEMORANDUM FOR UNDER SECRETARY OF DEFENSE FOR INTELLIGENCE AND
SECURITY**

SUBJECT: Approval of Revised Defense Civilian Intelligence Personnel System Targeted
Local Market Supplements to Extend Coverage for Certain Science, Technology,
Engineering, Mathematics, and Cyber Positions

I approve the revised Targeted Local Market Supplements (TLMS) for certain science, technology, engineering, mathematics, and cyber positions within the Defense Civilian Intelligence Personnel System. The attached TLMS schedule and details of the positions included for coverage are approved and will be effective the first pay period beginning on or after the date of this memorandum. Extending the TLMS rates to these additional occupations will ensure proper pay equity for similar positions and help maintain healthy staffing levels necessary to meet mission requirements within the Defense Civilian Intelligence Personnel System.

My point of contact for this action is Mr. Gary Kistner at (703) 801-7353 or gary.w.kistner.civ@mail.mil.
